PRODUCT

BELGIAN WAFFLE MIX #160

FOOD GRADE

This product shall be of food grade and in all respects, including labeling, in compliance with the Federal Food, Drug, and Cosmetic Act of 1939 as amended and all applicable regulations thereunder.

DESCRIPTION

This fine product was developed to yield high quality Belgian waffles with the simplest preparation possible. This product makes Belgian waffles with a crispy outside and a tender inside. The appearance of the Belgian waffle is golden brown. The waffles have a desirable vanilla aroma. This product shall be free of rancid, bitter, musty, or other undesirable flavors or odors. The product shall be free of all types of foreign material as can be achieved through Good Manufacturing Practices.

PREPARATION

For waffles, use 5 lbs. of mix and 3 quarts WARM water. For pancakes, use 2 ½ quarts of COLD water. Pour water into mixing container and then add mix. Mix until smooth. Let mix stand 10 minutes. Cook waffles in standard waffle iron that has been preheated and lightly greased per waffle iron manufacturer's recommendations. Cooking times and temperatures may vary depending on kitchen conditions.

YIELD

Approx. 6 - 6 oz. batter portions (using 20 oz. of cold water per pound of mix).
