PRODUCT

WAFFLE MIX #007

FOOD GRADE

This product shall be of food grade and in all respects, including labeling, in compliance with the Federal Food, Drug, and Cosmetic Act of 1939 as amended and all applicable regulations thereunder.

DESCRIPTION

This fine product was developed to yield high quality waffles with the simplest preparation possible. This product makes waffles that have a slight crunch on the outside and is tender on the inside. The waffles cook up to a golden brown and have a vanilla aroma. This product shall be free of rancid, bitter, musty, or other undesirable flavors or odors. The product shall be free of all types of foreign material as can be achieved through Good Manufacturing Practices.

CONTAINER

6/5 lb. Case, 25 lb. Bag

PREPARATION

Add 80 - 90 oz. of cold water per 5 lbs. of waffle mix. Using a wire whip, combine water and mix only until all water is absorbed. Allow batter to sit for about 5 minutes at room temperature before cooking. Cook waffles in standard waffle iron that has been preheated and lightly greased per waffle iron manufacturer's recommendations.

YIELD

Yield is about 8 waffles per 1 lb. of mix depending on size of waffle.

USES

Waffles are commonly served as a main course or side dish at breakfast. Top them with maple syrup, peanut butter, jam or jelly, powdered sugar, etc.
