PRODUCT

CAJUN FRY MIX #051

FOOD GRADE

This product shall be of food grade and in all respects, including labeling, in compliance with the Federal Food, Drug, and Cosmetic Act of 1939 as amended and all applicable regulations thereunder.

DESCRIPTION

This fine product was developed to yield a high quality breader for chicken, fish, vegetables, and other meats. A balanced blend of herbs and spices give this product a desirable flavor. The breader cooks up to a crispy golden brown on the outside while locking in juices on the inside. This product shall be free of rancid, bitter, musty, or other undesirable flavors or odors. The product shall be free of all types of foreign material as can be achieved through Good Manufacturing Practices.

CONTAINER

50 lb. Bag

PREPARATION

Using clean meats or vegetables, dip the desired product into a wash of water, milk, eggs, etc. Then roll the product in the breader to coat well. Shake off any excess breader. Deep fry the breaded product in hot oil until done. Product can set overnight without becoming soggy.

USES

Use the product to make traditional fried chicken, chicken fried steaks, fried mushrooms or zucchini, onion rings, etc.
