PRODUCT

HOT CHOCOLATE DRINK POWDER #361

FOOD GRADE

This product shall be of food grade and in all respects, including labeling, in compliance with the Federal Food, Drug, and Cosmetic Act of 1939 as amended and all applicable regulations thereunder.

DESCRIPTION

This fine product was developed to yield a high quality hot chocolate drink with the simplest preparation possible. This drink is prepared by combining hot water with a dry mix. This hot chocolate drink has a distinct cocoa flavor and a rich brown color. This product shall be free of rancid, bitter, musty, or other undesirable flavors or odors. The product shall be free of all types of foreign material as can be achieved through Good Manufacturing Practices.

CONTAINER

12/2 lb. Case, 25 lb. Cartons, 100 lb. Cartons

PREPARATION

Use 1 gallon of hot water for each pound of hot chocolate drink powder. Stir until all of the hot chocolate powder is completely dissolved.

YIELD

1 lb. hot chocolate drink mix yields approx. 16 - (8oz.) Servings

USES

Commonly used as a drink item. Serve at breakfast or during cold weather.
