PRODUCT

IMITATION CIDER VINEGAR - 50 GRAIN (5% Volatile Acidity) #528

FOOD GRADE

This product shall be of food grade and in all respects, including labeling, in compliance with the Federal Food, Drug, and Cosmetic Act of 1939 as amended and all applicable regulations there under.

DESCRIPTION

This product is an imitation cider vinegar designed to match the color, flavor and acidity of real apple cider vinegar. This product has been diluted with water to an acidity of 5% or 50 grain. This product shall be free of rancid, bitter, musty, or other undesirable flavors or odors. The product shall be free of all types of foreign material as can be achieved through Good Manufacturing Practices.

CONTAINER

4/1 gallon cases

YIELD

There are 256 servings (1 TBSP or 15g) per gallon.

APPEARANCE

This product has a bright amber color. The odor and flavor are clean and characteristic of real apple cider vinegar.

USES

This product is commonly used to add acidity to foods, sauces and salad dressings. It is less expensive than real apple cider vinegar.

INGREDIENTS

Distilled Vinegar, Water, Cider Vinegar Enhancer, Caramel Color
